## LIVERPOOL GOES DOWN SLIGHTLY.

New York Drops From Four to Five  
Points. Manchester is Re-  
ported as Flat for Yarns

and With Few Orders,  
Except a Low

Limit for  
Cloths.

By the Chronicle's United Press  
Leased Wire.

NEW YORK, August 18.—Messrs.

Abbard, Price and Company, in

their cotton circular to-night, say:

A weak opening and a decline of

44 in Liverpool this morning re-

sulted in a loss of four to five

points here. Sales in Liverpool

of 6,000 bales and Manchester is

reported as flat for yarns and with-

out orders, except a low limit for

cloths. The extremely disappoint-

ing character of the foreign advices

was thought to justify a greater de-

cline than was established here, and

the relative strength of our market

reacted upon Liverpool, inducing a

slight improvement there at the

close and bringing in some buying

orders here, which advanced prices

at the end of the session within a

point of last evening's figures. The

market is a very narrow one, and

is turned by an order of any im-

portance very quickly. The senti-

ment is very bearish, but not suffi-

ciently so to find expression in any

very important selling at those

prices, and the feeling of the

ports is extremely nervous."

Receipts for the day at ports are

estimated at 3,400 bales, against

2,200 bales last week and 2,800

bales for the same day last year.

The spot market is quiet and

unchanged; middling uplands

13-16; sal 300 bales.

Transactions in futures 50,000

bales.

## CHICAGO PRODUCE MARKET.

CHICAGO, August 18.—Wheat

at pit gave little evidence to-day of

the wild excitement which prevailed

there yesterday. On a reported

decrease of nearly a million bushels

in the amount on passage and a re-

port telegraphed from New York

that Russia was about to prohibit

the exportation of wheat as well as

rye, the price for December ad-

vanced 1½c., but subsequently de-

clined on free selling, and closed

½c. lower.

Corn was very strong to-day by

reason of the shorts fearing a cor-

ner in September, and being fright-

ened into covering. Closing prices

were 1½@2½c. higher.

There was little demand for oats,

and prices at the close were ¾@1c

lower.

Provisions were firm on good

buying by the leading packers.

Pork advanced 13 to 20c.; lard 2½c.,

and ribs 2½@3c.
